

This Week in Vegas April 25-May 1, 2016

This week is special in Las Vegas. Wynn/Encore Las Vegas is unveiling their newest experience in nightlife here in Vegas! Meet Intrigue, formally known as Tryst, but now has a fresh Intrigue will have over 14,000 square feet of space and it's being reported that it will also include a 1,200 square foot private club that will be "social media free." Intrigue Nightclub will also feature state-of-the-art lighting and sound designed by award-winning John Lyons Systems. However, it has also been speculated that Intrigue will be spearheading what some consider a change in the ongoing evolution of nightlife in terms of talent. While it is set to have contemporary club music, it's also said to be transitioning away from the big name EDM artist and DJ appearances. Will you be where it's hot this week? Don't miss a once in a lifetime unveiling of Intrigue! Whether your in for hosted entry or bottle service, your personal host will wait at the club until you and your friends arrive then lift the velvet ropes for your grand entrance! Get more info on where to party on our [website](#) and [Facebook](#) where we send out daily updates. We also share places to visit, things to do and info on how Red Carpet VIP can help make your next trip to Vegas even better!
