

This Week in Vegas February 13 - 19 2017

We're taking it old school this week in Vegas, with a hot performance by Lil Jon at Jewel on Saturday night. Jewel features a center stage and you can see all the action from anywhere in the main room!! If hip hop doesn't get you moving, how about seeing Kaskade at Omnia on Friday and Zedd at Hakkasan on Saturday. Vegas has it all! These are some of the best weeks to party in Vegas, week 7 of 52 blazing hot party weeks! Red Carpet VIP can set you up with a VIP table right in the action every night of the week! Be a part of what's hot this week! Get more info on where to party on our [website](#) and [Facebook](#) where we send out daily updates. We also share places to visit, things to do and info on how Red Carpet VIP can help make your next trip to Vegas even better!
