

## **This Week in Vegas January 30 - February 5 2017**

He's back Vegas! Calvin Harris resumes his 2017 residency at Omnia inside Caesars Palace this Friday night.....which kicks off a great Superbowl Week of unlimited parties, live performances, wagers and bottles! After you welcome back the world's hottest DJ on Friday, relax at Marquee Day Club's Dome party Saturday, while gearing up for a night of great live performances....Big Sean, Fabolous and Chainsmokers are all hitting the strip! Sunday we recommend watching the big game atop Mandalay Bay at Foundation Room, where they are customizing VIP viewing areas complete with personal TV's and gourmet grub or check out Marquee Dayclub for a football viewing pool party with buffet! Sunday end the week with Future at Drais! Red Carpet VIP can set you up with a VIP table right in the action every night of the week! Be a part of what's hot....instead of sitting in your hotel room, where it's not!! Get more info on where to party on our [website](#) and [Facebook](#) where we send out daily updates. We also share places to visit, things to do and info on how Red Carpet VIP can help make your next trip to Vegas even better!
