

This Week in Vegas March 21-27, 2016

Are your party plans for this week confirmed?? How about going to see David Guetta at XS on Friday night? Friday's at XS w/ Guetta are turning into one of the hottest parties of the week!

Where do you want your table? Right on the dance floor or would you prefer sitting in front of a giant stripper pole platform? Let us know, we'll make it happen! If Friday isn't enough to get your Guetta fix on, your Lilypad in the water is waiting for you and your group at Encore Beach Club on Saturday! Set right in the action, but complete w/ an umbrella, you'll be the center of the party all weekend long! Get more info on where to party on our [website](#) and [Facebook](#) where we send out daily updates. We also share places to visit, things to do and info on how Red Carpet VIP can help make your next trip to Vegas even better!
