Divas Las Vegas, starring Frank Marino, features an all-star cast of superstar female impersonators who not only recreate but, almost uncannily duplicate, the likenesses of stars. Britney Spears, Cher, Diana Ross, Beyoncé, Dolly Parton and even Madonna, have been known to stop by. Recently added are 6 of Sin City's hottest male dancers and Pop's newest sensations Lady Gaga, Rihanna, Katy Perry and Pink. Divas is one of Las Vegas' most spectacular production shows. Marino begins the show as comic icon Joan Rivers, and then changes between every act, bringing an international whirlwind of couture to the stage with each spectacular entrance.
