

2018 Pool Season Awakens!

This March, splash into what's hot this pool season in Vegas! Following up a huge week of parties, we are across the strip walking our VIP clients past the ropes to their dance floor tables, poolside bungalows and skybox booths! If your looking to indulge in the 80 degree weather all of the pool parties are now open, our favorites being Encore Beach Club and Wet Republic. Get more info on where to party on our [website](#) for the most recent videos. We also share places to visit, things to do and info on how Red Carpet VIP can help make your next trip to Vegas even better!

The strip is closed to vehicle traffic at 6pm on NYE and lines are expected to be extremely long. We walk you straight into the venue so you do not miss out and spend your holiday trip stuck in endless lines. Your reservations are our first priority and making sure you have a seamlessly enjoyable experience is our job. We look forward to spending NYE with you in Las Vegas!
