

August reservations are selling out fast due to fight weekend!

We deal with all hotels in Las Vegas as well as around the country so if your unsure of where to stay then let us know and we will point you in the right direction. In most cases we can save from \$40 to \$100 per night. We set up payment links online so, the total amount can be split between the group and everyone can go online and pay their portion with their credit card for the rooms and the nightlife. We look forward to hearing from you soon. Drop us an email at info@vipnight.com | Call 1-888-VIP-NITE (1-888-847-6483)
