

NYE In Las Vegas! HUGE Headliners!

EXPERIENCE NEW YEAR'S EVE BEYOND YOUR EXPECTATIONS!

Plan your new year's trip to Las Vegas with our team of VIP hosts ready to make your wildest party dreams come true! The list of headliners entertaining the Las Vegas Strip is by far the most exciting in decades. American Music Award 2017 winners, the Chainsmokers take stage at XS Nightclub at the Wynn Hotel for an electrifying performance into the New Year. Calvin Harris is expected to stun crowds with his hits at OMNIA and a slew of star appearances are usually amongst his entourage.

Concert goers are expected to see the strip wide thrills of Vegas while attending the Maroon Five performance at T-Mobile Area, expected to be sold out! With top events like this, you'll find us to be your best bet for unbeatable hotel rates and concierge.

The strip is closed to vehicle traffic at 6pm on NYE and lines are expected to be extremely long. We walk you straight into the venue so you do not miss out and spend your holiday trip stuck in endless lines. Your reservations are our first priority and making sure you have a seamlessly enjoyable experience is our job. We look forward to spending NYE with you in Las Vegas!
