

## **This Week in Vegas February 6 - 12 2017**

Vegas is hot with parties this week! Looking for a mid week getaway? Julian Jordan is spinning a Omnia Tuesday night. Or if your coming in for the weekend, we are partying at Hakkasan, Light, Omnia, XS....we have VIP tables across the strip! How about indulging in some cocktails at the Foundation Room atop Mandalay Bay before your VIP table service, where you can take pictures to make your friends jealous and start the night in style! Red Carpet VIP can set you up with a VIP table right in the action every night of the week! Be a part of what's hot....instead of wandering the strip with no plans! Get more info on where to party on our [website](#) and [Facebook](#) where we send out daily updates. We also share places to visit, things to do and info on how Red Carpet VIP can help make your next trip to Vegas even better!
