VIP Nightclub Entry

If you have been to Las Vegas before then you are probably familiar with the ridiculous lines at the nightclubs. Don't get stuck in 2-hour lines with the possibility of still not getting in and paying a cover when you finally get to the door. We meet you personally outside of the club and walk you in with zero lines of any type. You won't have to wait in a "VIP" line and you will even bypass the crowd in the table and bottle service line.

- Do not attempt to gain access on your own.
- Do not wait till the last minute to make a plan.

It is not like the olden days where you could walk up to the doorman and tip \$20 at the last minute. In most cases, you will not even get close to the VIP doorman. You will also be competing with hundreds of other people in the same situation, some with just as much money or more. By utilizing Red Carpet VIP, you can spend your day stress free and arrive at the club whenever you want. Our seasoned professional will arrange the most convenient time for your group and personally escort you into the club. Trust your Las Vegas nightlife experience to the experts at Red Carpet VIP. You will not be disappointed.
